

Sauk Centre High School Activities Department

Scott Bergman, Activities Director
933 State Road, Sauk Centre, MN 56378
(320) 351-5803

Extracurricular Transportation

We (I) understand that the District does provide transportation to and from extracurricular off-site practices. We (I) understand that the District does so to promote the team concept but also to provide a safe and supervised environment for these events. We (I) understand that the District cannot provide any supervision for young people that would be driving their own/parents/or other private vehicle.

However, despite the above we believe it appropriate that _____ be allowed to drive or ride bike to/from extracurricular off site practices at their discretion. No other students may accompany, except siblings with this form signed. As the parent(s) we accept full and complete responsibility for any consequence of their actions.

Therefore, we (I) hereby waive any and all claims against the District, its agents and staff, its insurance company, their heirs or their estate; arising from any death, injury, loss, damage, accident, delay, irregularity, or expense to any person or property incurred from the use of a vehicle by our son/daughter. Further, said release applies for any action, or act related to, of this student during the time period of their travels to/from practice.

This release shall be in effect for the ENTIRE school year in which it is executed unless otherwise specifically revoked in writing. This release shall in no way exempt this student from any other school rules.

Driving Waiver Violations

If a student participating in off campus practice violates the Board approved waiver policy, the following penalties will apply. It is important to note that all students involved in the violation will serve the penalties. (driver and rider)

1st Violation: Ineligible for the next 1 game/meet/match.

2nd Violation: Ineligible for the next 2 games/meets/matches.

3rd Violation: Ineligible for the next 4 games/meets/matches.

Additional violations will result in doubling the penalty for each violation.

Student signature _____ Dated _____

Parent signature _____ Dated _____

Parent signature _____ * Dated _____

*Families in which there is only one custodial parent will have only one signature.

Date received by Activity Director _____
