

Activities Department Information

by Scott Bergman
Activities Director

Keep Up To Date on All Schedules

Our Activities schedules are on our school website. Go to isd743.org, select Activities – Activities Calendar. If you would like to be notified of changes that occur on the schedule, click Notify Me! on the top right of the screen. Then click Notify Me in the menu on the right. Select all activities you want to be automatically notified with changes and then follow the on screen prompts to finish setup.

Get a Free App on Your Smartphone to Stay Updated on Our Schedules!

If you have a smart phone we encourage you to download the free app Activity Scheduler by rSchool Today from the App Store to get all the updated information regarding the school schedules!

All student athletes must take care of three things before they will be allowed to practice:

1. Must have a current physical on file in the office updated every 3 years.
2. Must complete the online registration process.
3. Must pay the participation fee.

Activities Registration Online Has Been Implemented!

You must go online to register for Activities, fill out MSHSL information and enter health information. This has been a popular change – no more paperwork. Go to isd743.org and select Activities. When paying for your Activities you may pay online by going to the RevTrak site or bring a check or cash into the Activities Office.

Activities Office Use Instant Alert to Notify Parents of Cancellations

We use the Instant Alert system for parents of athletes. Using this system, you receive a recorded phone message about any game cancellations. We normally make these decisions based on weather at 2 p.m. and do the phone call at that time. We encourage all parents to make sure your

data is up to date on the Instant Alert system to take full advantage of this program. If you need instructions please access our school's website under the Our District link. Students involved in our sports teams are already placed on lists, depending on what sports they are involved with each season.

Seeking Volunteers

The Activities Department is blessed with a bunch of people who help make our activities possible. You could join this group of people who help keep the clock, take tickets, etc. We also are seeking people to officiate volleyball, football, basketball, baseball and softball. We do pay people to officiate. If you are interested contact Geri in the Activities Office at 320-352-2258, Ext. 4006 or by e-mail geri.nienaber@isd743.org.

Miscellaneous Items

- Stay up to date on all Activities News by using our website: isd743.org and select Activities.
- Our drama department will be performing “Once Upon a Mattress” this fall. Students – look for audition dates at the start of the school year.
- Consider joining FFA this year. Listen to the announcements for meeting times.
- Fall sports include Cross Country, Football, Girls Swimming, Girls Tennis and Volleyball.

Sauk Centre Sports Boosters

Sauk Centre Sports Boosters will be holding their fall meeting on Wednesday, September 20, at 7 p.m. at the Sauk Centre Public School. We are looking for individuals to join and assist with our fundraising activities. Over the last several years, Sports Boosters have raised more than \$20,000 per year. The primary use of these funds go towards an athletic trainer, activity participation fee reduction, uniforms, and other items as needed. Please call Gregg Trisko at 320-241-0096 or Cory Yarke 651-260-6076 for more information.
