

Greetings from the Community Education Office!

By: Brent Lieser
Community Ed. Director

It has been a great start to the school year in the Sauk Centre community education department! We are pleased that our new and existing classes and activities went over well. Thanks to everyone who participated in our quilt shop hop trip, senior/baby boomer socials, and pickleball activities to name a few. We are excited to announce that the 510

Art Lab, on Sinclair Lewis Ave, is partnering with Community Education and we can offer classes at their venue. Their site is very inviting and has such rich artistic character. If you get the chance, please stroll through their doors and you will feel your artistic inspirations come alive.

Along with the addition of classes at the Art Lab, we are adding some cooking classes for adults and after school classes for elementary students. As you would expect, we are offering our seasonal activities. We are very appreciative to work with our youth wrestling, basketball coaches, and tumbling instructors to try and enhance our already established classes. Their time and hard work provides more opportunities for students! Please let us know if you have a class idea or avenue we need to take to improve our current offerings. Contact me at 320-352-2258, Ext. 4005.

Thank you to our fall coaches and volunteers for helping instruct and lead our volleyball, football, and basketball programs. It is great to see so many adults and recent alumni giving of their time and investing in our youth. Thanks to our volunteer coaches: Jena Adams, Amanda Weir, Jim Klaphake, Kellie Wehrman, Brian Riley, Brandon Von Walde and Scott Bergman.

News from School Readiness World

We have openings available in our upcoming Parent/Child ECFE classes. Winter session begins January 8 and runs for seven weeks; Spring session begins March 4 and runs for seven weeks. You can register online for these classes.

We still have openings available in our 4/5 year old Tuesday/Thursday afternoon class! This class runs from 12:10-2:50 p.m. two days a week. If you are interested in registering go online to the school's website isd743.org or call for more information to 320-352-2258, Ext. 1141.

Preschool registration for the 2020-2021 school year will open online on Thursday, April 2. Go to the school's website at isd743.org to register on that date.

Teacher Olivia and Teacher Jamie have been working on recognizing and writing our names, color and shape recognition, and we have begun our letter unit. We are looking forward to the second half of the school year and seeing all of our children continue to grow and learn!

Deadlines are Important

Please pay particular attention to the class and deadline dates. Having deadlines helps us offer a better experience for you. Registrations and deadlines help us get properly organized before a class or activity can begin. If you do not meet the deadlines, we cannot offer a quality program and it becomes a chain reaction of events.
